INTRODUCING A COLLABORATION WITH A LOCAL CHILDREN'S ASSOCIATION

Playright advocates for children's right to play and works to meet their play needs. We're partnering with them for a video shoot, promoting the message of play to the local community. Excited to collaborate for this important cause with our new partners.

YTFT X YDC SUMMER GOVERNMENT INTERNSHIP

To support young individuals, we initiated a youth internship program. Our interns (Ling, Lina, and Angel) gained valuable experience working with our Marketing Director on initiatives for the Young Talent Football Team. It was a pleasure working with them, and we wish them the best in their future endeavors.
